**2009 Younger Member Employer
Recognition Award**

The Committee on Younger Members is seeking nominations for the 2009 Younger Member Employer Recognition Award. The award was created to recognize employers who support young engineers, and assist with their personal development. The committee on Younger Members also awards two Superior Employer Recognition Awards (one public, one private) to the nominees who best display exemplary support of young engineers in their organizations.

Nominations for the award must be postmarked by August 1, 2009. The nomination form, which describes the award in detail, is available for download on the CYM Awards page <http://tinyurl.com/mlzt4o>.

YMF Camping Trip

YMF is going camping! This year we will continue the tradition of camping at Loon Lake, which has quickly become a favorite for the group over the last several years. The trip is scheduled for August 7th through the 9th. Friday night will start with cooking dinner and smores (of course!) over the campfire. Saturday will start with a guided hike. There should also be plenty of time for exploring on your own. Members are welcome to bring water craft to explore the large lake. The campfire is sure to be fun that evening, as everyone gets to know each other better during the day. Sunday morning we have a quick breakfast in time for folks to start more adventures or head back home. Last year, all in attendance had a great time. The campsite is already reserved; to reserve your space contact Bill at wscharff@gmail.com. All meals are provided. The trip is free for YMF members, and \$15 for an accompanying guest.

Quarterly Business Meeting

On Wednesday, July 1st, YMF will hold its quarterly business meeting at Mark Thomas & Company. The Mark Thomas & Company office is located at 7300 Folsom Blvd, Suite 203 in Sacramento. Business meetings are a great forum for new and current members to learn what YMF has planned in the coming months. Check out the YMF website for more details.

YMF Annual Barbeque

On Wednesday, June 3rd YMF held its annual barbeque at McKinley Park. The event always proves to be a good time, and provides a wonderful setting for socializing with other young professionals in a relaxed atmosphere. YMF provided hot dogs, hamburgers and refreshments to all those in attendance. In addition to the usual barbeque festivities, YMF presented scholarships to several students from area colleges.
