

**YMF MIXER**

On Wednesday, May 6th, YMF held a mixer at Lucca Restaurant in Downtown Sacramento. Following Social hour, Bill Shunk of Mark Thomas & Co. gave an excellent presentation on the R Street Improvements Project. The project, along R Street between 10th and 13th Streets, is the first of four planned streetscape improvement projects in Sacramento along the R Street Corridor from 9th to 18th Streets.

Bill Shunk presents his R Street project during the YMF mixer.

YMF CAMPING TRIP

YMF is going camping! This year we will continue the tradition of camping at Loon Lake, which has quickly become a favorite for the group over the last several years. The trip is scheduled for August 7th through the 9th. Friday night will start with cooking dinner and smores (of course!) over the campfire. Saturday will start with a guided hike. There should also be plenty of time for exploring on your own. Members are welcome to bring water craft to explore the large lake. The campfire is sure to be fun that evening as everyone gets to know each other better during the day. Sunday morning we have a quick breakfast in time for folks to start more adventures or head back home. Last year, all in attendance had a great time. The campsite is already reserved; to reserve your space contact Bill at wscharff@gmail.com. All meals are provided. The trip is free for YMF members and \$15 for an accompanying guest.

**SACRAMENTO SECTION AND BRANCH
ELECTIONS**

YMF would like to encourage all members to vote in the upcoming ASCE Sacramento Section and Branch elections. This year, YMF's very own Executive Director, Oscar Serrano, is running for President-Elect of the Sacramento Section. YMF will hold its own officer elections later in the year. If you are interested in becoming a YMF officer please contact Kimberly Schmidt at kimberlys@blackburnconsulting.com.

YMF ANNUAL BARBEQUE

On Wednesday, June 3rd YMF will hold its annual barbeque at McKinley Park. The barbeque will start at 5:30 and last until 7:30. The event always proves to be a good time and provides a wonderful setting for socializing with other young professionals in a relaxed atmosphere. Volleyball will also be set up for interested attendees. Members are encouraged to bring a guest. McKinley Park is located at 330 McKinley Blvd in Sacramento and YMF has reserved area GA7. YMF will provide free food and refreshments to all those in attendance. In addition to the usual barbeque festivities, YMF will be presenting scholarships to several students from local colleges.
