October 2009

*YMF Campers at Loon Lake*

**SEPTEMBER SOCIAL**

This year, YMF chose to host its September Social at Scandia. To ensure that everyone was running at maximum speed, YMF provided pizza for everyone before the fun began. Members were then treated to wristbands which offered access to two, 18-Hole Miniature Golf Courses, the Scandia Screamer Thrill Ride, Stockholm Raceway, Baltic Sea Bumper Boats, 9 Batting Cages, a full video game arcade and a snack bar. Members had an especially great time on the go- cart track spinning out left and right on the track.

**YMF OCTOBER BUSINESS MEETING**

On October 7th, YMF will hold its quarterly business meeting at David Ford Consulting Engineers in Sacramento. David Ford is

located in Suite 200 at 2015 J Street. New and returning members are encouraged to attend as we will be electing officers for 2010. Several officer positions are still open. Coming to the business meeting and possibly taking on the responsibility of being a YMF officer is a great way to become more involved and meet new people. Don't miss this opportunity to be a part of one of the most involved young engineer groups around. YMF will provide dinner for those in attendance. Contact Elias Karam at [Elias.Karam@jacobs.com](mailto:Elias.Karam@jacobs.com) for more information.

**YMF CAMPING TRIP**

Once again, the annual YMF camping trip to Loon Lake was a big success. YMF members packed their bags and headed for the hills on Friday, August 7th. Campers enjoyed hiking, biking, swimming, fishing, and just about anything else one could imagine doing while in the great outdoors. YMF provided food and beverages for all in attendance. A big thanks goes to Bill Scharffenberg for planning the trip.

**UPCOMING EVENTS**

- \* Business Meeting @ David Ford Consulting Engineers, Wednesday, October 7, 2009 at 5:30 PM
