

**JULY BUSINESS MEETING**

Come out and meet your YMF officers and chairpersons! We will be holding our quarterly business meeting on Wednesday, July 7, 2010, 5:30 pm at Jacobs Engineering Group Inc, 180 Promenade Circle, Suite 300, Sacramento, 95834. This is a great opportunity to meet other members and learn about upcoming events!

JUNE SOCIAL SUCCESS!

On Wednesday June 2, 2010, the YMF group held their annual barbeque at the beautiful McKinley Park. There was a great turnout for this successful event! YMF supplied food and beverages, and a good time was had by all! A great big thank you to the evening's master chef, Mike Konieczki and to the officers who helped make the evening a success – Elias Karam, programs chair; Kristy O'hara, vice president; and Kimberly Brown, past president.

The BBQ also served as an awards presentation, as this year's scholarships were presented to the six, yes *SIX*, scholarship winners! As put by YMF president Kevin Gilton, "Despite cutting 70% of the budget from the student affairs committee compared to last year, YMF awarded a record number of scholarships to students from CSU Chico, CSU Sacramento, and UC Davis. This record number of awards was possible not only because the student affairs committee identified six qualified applicants but in part due to the additional support provided by the YMF Executive Board Members." Congratulations again to our very deserving YMF Scholarship winners and to the Sacramento YMF group for continuing to identify ways to help serve our community!

PAINT A DRAIN

Helping your community is easier than ever! All you have to do is contact Randi Hines at hinesr@saccounty.net and let her know you want to paint a drain! What does that mean? It's easy – you get together with some like-minded YMFers and help stencil Sacramento's "No Dumping Flows to Creek" insignia on local drain inlets. The event is tentatively schedule for Saturday June 19. Let Randi know you're interested!
