

**WELCOME BACK FROM WRYMC!**

A number of your YMF officers and chairs attended this year's WRYMC on February 26 and 27 in beautiful San Diego! The event included a two day packed agenda, full of events which focused on the future of ASCE, leadership, team building, and camaraderie. YMF members participated in various sessions with Section, Branch, and Student chapter representatives and were fortunate enough to visit either the San Vicente Dam, Padre Water Recycling Facility, or Wastewater Treatment Plant for the technical tour of the weekend. Evenings were spent getting to know other YMF groups at organized socials. All in all, the weekend was a great opportunity to get re-energized and gain fresh ideas to bring back to our own YMF group. Attend this month's YMF Business Meeting on Wednesday, April 7 to hear more about our WRYMC experience!

**SACRAMENTO REGION SCIENCE AND
ENGINEERING FAIR**

Want to show young would-be engineers that engineering is about more than just math? Engineers make the world go 'round, and now's your chance to spread the word! The Sacramento Region Science and Engineering Fair is right around the corner, and the Capital Branch is looking for volunteers to participate in ASCE's booth. The Fair will take place on Saturday, March 27th at Rosemont High School. Contact Student Affairs Chair Randi Hines (hinesr@saccounty.net) for more info!

SOCIAL WITH THE CAPITAL BRANCH

The Capital Branch is planning a social to a Rivercats

game during the summer. Look for more info in the coming months!

GOLF TOURNAMENT NEWS

James Pangburn, our new Golf Committee Chairman for Sacramento YMF, has successfully booked Catta Verdera Country Club for the Make-a-Wish charity golf tournament again this year. The tournament will be held on Monday, July 12th. Mark your calendars! More details will become available in the coming weeks.

YMF BOWLING SOCIAL SUCCESS!

This year's bowling social was another success! The annual event was held on Wednesday, March 3rd from 6 to 8 pm at Country Club Lanes. The event was not only a fun, social gathering amongst friends and colleagues, but we also raised money for local students to compete in the Concrete Canoe, Steel Bridge and MidPac competitions. The group raised a \$253 donation! Thank you for all who attended and generously donated to the cause, and a special thanks to Programs Chair Elias Karam for organizing yet another successful event!
