

JULY BUSINESS MEETING

It's that time again ~ come out and meet your YMF officers and chairpersons! We will be holding our quarterly business meeting on Wednesday, July 7, 2010, 5:30 pm at US Army Corps of Engineers Folsom Resident Office, near Folsom Dam. This is a great opportunity to meet other members and learn about upcoming events! Also, please take note! We will be holding elections early this year! Elections will be held at the July Business Meeting instead of October as was held in the past! Becoming an officer or chair is the best way to be more connected to and involved with YMF. Not only do we see each other at least once a month, we also get together for other fun events such as WRYMC and the Officer's Retreat! If you're interested in becoming a chair, please email Elizabeth Weeks at eweeks@markthomas.com. See you there!

GOLF TOURNEY NEWS

Love to golf? Golf Committee Chair James Pangburn has successfully booked Catta Verdera Country Club for this year's Make-a-Wish charity golf tournament. The tournament will be held on Monday, July 18th. This will be a half-day event including lunch, a scramble-format tournament on the North Course, and dinner. Mark your calendars and invite your co-workers ~ come out and swing your clubs for a good cause! For more information, email James at jpangburn@markthomas.com or check out the information on our webpage: <http://www.sacymf.org/meetings-events/golf-tournament>. We are seeking your support in hole sponsorships, raffles, and tournament sponsorships. This is for a great cause! Call James for more information on how to participate or help out!

AUGUST MIXER

Join us downtown at Luigi's Slice (1050 20th Street, #150, Sacramento, CA 95814) for a night of networking and a technical presentation! This month's presentation will be held by YMF Past-President and current Region 9 Governor Fareed Pittalwala. Fareed will be discussing several of the hot-button current topics in ASCE, including ASCE's push for additional education requirements prior to being eligible to sit for the Professional Engineer exam, continuing education requirements, and the on-going debate of our proposed tax status addition of 501c6 to 501c3. These are the hottest topics discussed during WRYMC 2011! Come out and join the conversation!

AUGUST CAMPING TRIP

Mark your calendars YMF! ASCE YMF's Truckee Meadow's group has graciously invited us to join them for a weekend camping trip at Jackson Meadows Reservoir during the weekend of August 19 - 21, 2011! Jackson Meadows Reservoir is approximately 30 miles northwest of Truckee, off Highway 89 North, in the middle of Tahoe National Forest. The campground is just off the water and has full bathroom facilities. There is hiking, fishing, rock climbing, waterfalls, and so much more, all within walking distance of the site. Come prepared for a great weekend! Additional information can be obtained by contacting Elias Karam at Elias.Karam@jacobs.com.

JUNE BBQ!

It was a beautiful summer evening in Sacramento, as our YMF group gathered together at McKinley Park for the annual summer BBQ and Scholarship presentation! There was food, fun, Frisbee, and this year, a raffle fundraiser in support of WRYMC! In addition, YMF awarded six scholarships this year! Congratulations to our deserving students Caroline Grant, Bryan Perrin, Adam Scardaci, Alex Wong, Gregory Diaz, and Cyrus Khorshidchehr. We know you will all go so far in your studies and careers, and will become model ASCE members. Best of luck to all of our winners!
