

OCTOBER BUSINESS MEETING

It may be a business meeting, but it is still fun and games! We will be holding our quarterly business meeting on Wednesday, October 5, 2011, 5:30 pm at Mark Thomas & Company's office (7300 Folsom Blvd, #203, Sacramento, CA 95826). This is a great opportunity to meet other members and learn about upcoming events! And, if you need any extra incentive, we feed you! It's an event that is not to be missed! YMF Elections were held at the July Business Meeting, instead of the typical October vote, so this October we will be installing our new officers and making it official! We also have a lot to talk about for upcoming events, WRYMC planning, socials, and all manner of fun to come! Come out and wish your new officers the best for the upcoming year. See you there!

NCEES PE EXAM

The October Professional Engineer's exam is right around the corner! Sacramento YMF would like to wish our Review Course participants the best of luck at the exam this year. Remember to eat well and get plenty of rest before the exam! There will be plenty of time to socialize with the rest of your YMF clan after you pass the exam this October!

CONGRATULATIONS!

ASCE Sacramento Section is making great things happen in our community, and YMF is here to help! YMF congratulates Sacramento YMF Treasurer Mike Konieczki, winner of ASCE Sacramento Section's "Outstanding Younger Member Officer", and Student Affairs Chairperson Steve Soldati, ASCE Sacramento Section's "Outstanding Younger Member"! Mike and Steve received their awards at the Sacramento Section Officer Installation and Awards dinner on Thursday, September 27, 2011. YMF's Community Outreach Chairperson Kimberly Brown helped to organize the successful event. Thanks to all of you for your hard work and dedication to the YMF group, the ASCE Sacramento Section, and the engineering profession. Way to go!

Want to know more about these outstanding officers and chairpersons? Check them out on our website, www.sacymf.org, under the "Officers" link!

SEPTEMBER PUB NIGHT SOCIAL

Last month, the YMF group gathered at the up-and-coming River Rock Tap House for fun, food, and libations. It was a perfect evening in Sacramento, a chance for the young engineers in our community to socialize and network with fellow YMF members, and a great way to just relax as we kicked off a new month! Conversation flowed well into the evening and a good time was had by all!
