

YMF BUSINESS MEETING

On Wednesday, January 6th, YMF held our quarterly business meeting at Mark Thomas & Company in Sacramento. The meeting was an opportunity to discuss upcoming events and the year's events calendar. It was also an opportunity to connect with YMF members, including a number of new faces. Welcome to those members who joined us for the first time!

YMF MIXER

YMF will hold a Mixer on Wednesday, February 3, 2010. The Mixer will start with an opportunity to catch up with members, old and new, during the social hour starting at 5:30. It will also boast a technical presentation by our own Golf Tournament Chair, James Pangburn. Connect with your fellow YMF members during this Mixer at Zinfandel Grille!

E-WEEK

Engineer's Week, the National Engineers Week Foundation's cornerstone event, is February 14 – 20, 2010. E-Week is intended to celebrate the engineering profession and to reach out to existing and future generations of engineering talent. Randi Hines, our Student and Community Outreach Officer, will be leading a booth at the Sunrise Mall on Saturday, February 20, 2010 from 8 am – 5 pm. Come out to Sunrise Mall to see what Randi has in store!

YMF SPRING 2010 PE REVIEW COURSES

Are you preparing to take the Professional Engineer Exam in April? If so, the Sacramento Chapter of ASCE Younger Member Forum is offering improved review courses for the following exams:

1. Principles and Practice (General / 8-Hour)
2. Engineering Surveying
3. Seismic Principles

Register on our website!

Classes are scheduled to begin January 25, 2010. It is not too late to sign up for the Engineering Surveying and Seismic Principles Sessions. Register early to save money! Please visit www.sacymf.org to register online and for information on class schedules, locations, and prices.
